2023 New Year Edition

Newsletter of the Tennessee Association of Family and Community Education

Issue 9.1

*TAFCE PRESIDENT
GLORIA FISHER*

Now is a **time to look back**. This past year we (you, me and fellow FCE members) did what we do best: we supported those in our community who spent hours of their lives giving to make others

lives better. The TAFCE program, **Salute to Healthcare Workers and First Responders** was a huge success. You found your way to give support and show appreciation for them and what they do by choosing special tributes, some of which are listed below.

Thousands of “thank you” card went out; hundreds of cinnamon rolls and other goodies were baked and delivered; flowers were taken to health care facilities and offices of first responders and special face masks were made and delivered. Clubs, counties, and regions honored FCE members. I applaud you and thank each of your actions which made others understand that they are appreciated.

It is great that we have a method of tracking the value of what we give to the community through **Certified Volunteer Units**. This year a check valued at approximately 7.2 million dollars . was presented to the leadership of University of Tennessee Agriculture for the CVU hours members reported.

What a significant representation! However, we do more; probably much more. For whatever reason, many of the hours go unreported. A goal this year is to have a better report of the hours we contribute. If you are unsure of how to calculate and/or report the information, go to the TAFCE website under Members, find Awards and Recognition. Or ask one of your officers or agents. I am also available: gloriafisher1tafce@gmail.com.

Now is also a **time to look forward**. FCE, needs to expand our value to the community. We need to grow. This year’s TAFCE Project is **Recruiting, Retaining, and Promoting FCE**. I encourage you to think about how and why you became a member and how you can help FCE grow.

Outgoing CENTRAL REGION PRESIDENT
Mary Alice Weber

Currently, the Central Region has 1246 FCE members for the 2023 year. We eagerly anticipate surpassing our 2022 membership number of 1255!

On September 8, our Annual Meeting was held in Murfreesboro with 192 members, 22 agents, and 13 guests in attendance, for a total of 227. Our theme was “Gratitude for FCE”, which was carried out with table decorations provided by each county. All decorations were beautiful and prize worthy! First place was awarded to Grundy County, second to Putnam County, and third place to Coffee County. At the Annual Meeting, we collected over 500 thank you cards for healthcare workers to be delivered in the Rutherford County and Murfreesboro community!

We held our first fashion show since Covid -- FCE members either modeled the garment or carried it on a hanger. We had 56 Fashion Revue entries, 489 Cultural Arts entries; and with agent support, a Power-Point of both fashion revue and cultural arts winners was shown as the winners were announced. It is remarkable that we can enter items, judge, and photograph for PowerPoint within a few hours. Thank you FCS agents! Chicken Salad Chick was our caterer and there were many compliments regarding the adequate portion size and yummy box lunches!

Kudos to Emily Gordon, 2022 Conference Coordinator, and her vast number of committee chairpersons and helpers! The 2022 TAFCE Conference was a success; 238 attended with 27 first timers. The theme “Saddle Up for FCE” was well received, carried out by many in your daily attire and at the Cowgirl Prom. We were whole-heartedly entertained by Cowboy Dan. Thank you so much for your generous donation to Saddle Up! Nashville, in support of their equine therapy program—a total of \$1645.21!

We look forward to Peggy Richmond leading as our new president for 2023. It has been a pleasure to serve on the TAFCE Board and I have learned so much. Thank you for allowing me to serve.

Outgoing EASTERN REGION PRESIDENT
Joyce Ernst

On behalf of TAFCE-Eastern Region, I would like to thank Central Region for hosting a fun and successful TAFCE Conference. Thank you to all your members who worked hard to make it great! Job well done!

Kudos to everyone who participated in, and helped with, the Cultural Arts and Fashion Revue competitions at TAFCE Conference. Congratulations to all our Eastern Region winners! Job well done.

I hope all our First Timers had a good experience and that we will see you next year in Kingsport.

Our Invitation at TAFCE Conference 2022 to TAFCE Conference 2023 was amazing! Thank you to all Eastern Region members who participated. We hope to see all members on our part of the state in 2023. Come Spread Your Wings with FCE at Meadowview Resort in Kingsport, TN November 12-15.

Eastern Region held a successful Leadership Day on November 30. Approximately 67 FCE members and agents attended at least one of the training sessions. The most popular training session was on Roberts Rules.

Eastern Region continues to work diligently to provide activities and promote the success of TAFCE. I am honored to serve as the Eastern Region President for the last two years and work with such wonderful, caring hardworking members in Eastern Region and across our state of Tennessee. Please welcome Cindy Mishtal our Eastern Region President for 2023-2025!

NAFCE VP for Public Policy Coordinator
Emily Gordon

It was exciting to see the National FCE meeting so well attended, and to welcome our national president, Judy Fullmer. She explained ACWW and answered questions. Tennessee benefits from what NAFCE offers. Our FCL 30 hour Leaders, 60 hour Trainers, the Community Service Award, our Heart of FCE winner, the brochure contest winner, and the many that have served on their board are several examples.

Sincere thanks for the outpouring of jewelry and small items that were asked for to put in a booth at Keeper’s Corner in Oregon where all proceeds are donated to national. If you did not get the memo, I will take useable jewelry or small items anytime you see me or next year at conference.

I heard that several enjoyed the FCL Class, Positive Leadership Traits by Birth Order that Wendy Drumm and Peggy Richmond presented. Bet they would do it again if any club wants them.

If I can help, please call. For up to date info, go to nafce.org

CVU Hours

CVU's, CVU's, CVU's !!!!!!! WOW !!! what can I say. But you all of you really stepped it up. For 2021 the number of hours statewide that were turned in was 240,750 hours. Did you know **that** you are worth \$29.95 per hour that you volunteer. So last year we were all worth \$7,210,462.50 to the University of Tennessee, Knoxville. They are a vital part of what we do !!

PLEASE - PLEASE - PLEASE KEEP TRACK. When you work on your projects for FCE, cultural arts, fashion review, talking on the phone to other FCE members about FCE, checking on a friend, running errands, getting items to make food for an activity at church or a sick friend, praying for someone on the phone or in person, visiting a sick friend - you get the idea - **WRITE DOWN YOUR HOURS AND REMIND FELLOW FCE MEMBERS TO WRITE THEM DOWN.** You will be surprised at just how many hours you do give of yourself to FCE. *PLEASE fill out your hours*

and submit them to your club, who will submit them to the county, who will submit them to your region. Go to <https://tafce.tennessee.edu/> - For Members - Awards and Recognition - CVU's for the forms you need. Finally, the region will submit them to the TAFCE Vice President of Public Policy.

2022 TAFCE Conference Recap
Emily Gordon

What wonderful memories we made as we Saddled Up with FCE in 2022 at the Franklin Marriott. Some numbers to ponder: 235 registered to attend all or some of the days or events. 111 evaluations were turned in, 47 stated that reuniting with friends was their main and most rewarding reason to come to conference! Other areas that ranked high were: great theme, prom meal, fashion revue, hospitality room, great teachers for creative craft, walk-in and education sessions, region breakfast, Cowboy Dan, and last but not least, excellent conference leadership and workers!

If you got home and found an extra Conference Pin in your bag, PLEASE send me word. If you paid and did not receive your pin, PLEASE let me know. I will try to match you up, so sorry, we ordered 100 pins in hopes that we wouldn't have lots left over, then somehow somebody messed up and put pins in bags while the correct ones were put in your envelopes or handed to you at registration.

Things we could work on: conference pin issue, tour cancellation issue, bingo and dance separated because of sound, bingo not having to move (hotel error), Pony Express (lots loved the idea, possibly as members correspond during the year, it will bring closure to it. Or, maybe make a bigger issue at the First Timer meeting and match people there?), eat at Prom before the entertainment!! and review Robert's Rules before the business meeting.

Let the dust settle and be content, Central Region hosted a successful TAFCE Conference!

CENTRAL REGION EDUCATIONAL CHAIR
Crystal Holt

It was so nice to see everyone at State Conference this year. I have to say that Conference is probably my favorite time of year because I get to see all our members work in fashion revue and cultural arts plus I get to hear each and every member talk about all the wonderful things that their club, county or region did through out the year.

There are a lot of changes this year when it comes to forms for entries. Weather it be Creative Writing, Fashion Revue or Cultural Arts please make sure you check the TAFCE website for the latest forms before entering items.

TAFCE Board Advisor
Dr Martha Keel

It's hard to believe 2022 is coming to an end. Another fantastic TAFCE annual conference has come and gone. What a great time it was. It was great seeing all of you who attended. If you did not attend, you were missed. Consider putting next year's conference at Kingsport, TN on your calendars now! You don't want to miss all the fun and good times.

I want to take this time to acknowledge the 2022 TAFCE Executive Board. There is a lot of work that goes into running this organization. It is so refreshing to see such a group of committed and caring people.

The University of Tennessee Extension values our partnership with TAFCE. You are an important part of the educational outreach for our programs. In addition, the impact TAFCE has on the families and communities throughout the state is impressive. You embody what it means to be a Tennessee Volunteer.

The problem is, however, that I know what you do for others throughout the state is under-reported. I hope to work with the board and Extension advisors to come up with a way to better capture the actual work being done. This would ensure that TAFCE and all its members would receive the recognition they deserve. If anyone has any ideas, please pass them on to your Regional Vice Presidents to be shared at the state board meetings.

Here's to a great 2023!!

Eastern Region President Cynthia Mishtal

I am honored to be your TAFCE Eastern Region President for the next few years. With your patience, I plan to fulfill the duties of this position to the best of my ability.

In August 1995, my husband's job moved our family from Allentown, PA to Athens, TN, McMinn County. At that time, I was still an at-home mom with two sons ages 3 and 6. While our youngest was not in school yet, we began looking for things to do together. I had heard about MOPS (Mother's of Preschoolers) and also FCE from some of my church friends. They mentioned that one of the FCE Clubs had babysitting, and what a perfect opportunity this was for both of us to meet new friends. So, we joined both groups and both enjoyed out times with our new friends. I ended up joining a club in McMinn County in 1996.

I was actively involved until I my son started Kindergarten. I started volunteering at my son's schools and ended up with the fulltime job in the cafeteria.

In 2007, I joined a different club in my county with my mom. We both became very active in volunteering as officers in our club. I even held the VP of Public Policy in McMinn County for 2 years. In December 2008, I completed the FCL Training. At that time in my life, I was finally able to attend Spring Camps, Fall Conferences and State Conferences. I really enjoyed learning what all FCE has to offer. I have also had the opportunity to teach Iris Folding Cards and Stitching Card Class during both Spring Camps and State Conference when they were in our region.

I hope you are all planning on having an amazing year! PLEASE, do not forget that Eastern Region is hosting the State Conference in Kingsport, November 12-15. We all need to put our wings on and spread the word to be part of this amazing conference. We have been planning this conference for a few years now...

I've always worked with my hands and been an artist and crafter. At six years old I learned to weave my first basket, learned knitting and rug hooking at nine and stitched my first dress at 12. Cooking and baking were early in there too.

Growing up at Air Force Bases in and out of the country I did not know about FCE or Home Demonstration Clubs until I was married with children. I joined Sunnyview Club in 1979 and had a marvelous time learning, sharing and bonding with the group of older women in my community. While there I served as President, Secretary, Vice President and on several Education Committees.

One of the most wonderful memories is attending the first Tennessee State Conference in Gatlinburg. Through the years I have served as County President, Treasurer and Reporter and Western Region Treasurer. I have served on FCS Advisory, Nominating Committee, Health Food Nutrition, Gardens, Fair, County FCL. Awards I've received include Writing, Cultural Arts, Fashion Revue, 100% Member, Spirit of FCL, Leadership, Education, and Community Action. An accomplishment I am pleased about is serving as Director of The Smith Trahern Mansion in Clarksville, Tennessee since 2010. Through that work and FCE I have met with Mayors, Representatives, UT Deans and Specialists and guests from all over the world.

Families and Children have always been my focus as a mother, preschool teacher, 4H teacher, "I Am Special" leader, and Parent Child Interaction facilitator through classes from Marion Mariner at UT. Presently I volunteer at school with my club, and keep informed about ACWW projects worldwide.

Through FCE I have met so many wonderful people, learned much and had great travel experiences such as Conference destinations. I have and do enjoy serving and being a member that shares and mentors with hopes to make us all stronger and more helpful to each other, our families, communities and world.
